Prehistoric living - Class 3

As part of their shelters main lesson class 3 visited a prehistoric cave.

Kents cavern is a lovely place and we went there for a school trip and we learnt about people. Gemma, Class 3

There was a cave girl who the palaeontologist's think was eaten by a hyena. It was very exciting. Martha, Class 3

Sat 27th Jan 10am-3pm School Community Work Day

Everyone welcome, indoor and outdoor jobs. Please bring a dish to share for lunch and vegetable for soup. Furniture Sale in the afternoon to dispose of surplus items. Note: we will be finishing promptly at 3pm.

Host families needed!

We are pleased to announce we will be hosting two language schools this year. The first collaboration with Exeter

College, hosting a group of students from Thailand, who will be coming to the school for four weeks in April. Then at the end of the summer term, we will have our Italian students as we have done for the last two years. We are looking for host families for both schools, so if you think you could host a teenager for up to four weeks, please contact Reception. The Thai school will pay host families £130 per week. **Jenny Salmon, Resources Manager.**

Questions? And Coffee?

Why do you teach my child farming? What is Eurythmy? When can my child play football? Where is lost property? What can I do to help? Do we have class reps anymore? What is Arbor and how does it work?

If you have any questions, ideas or would just like a chat come along to Coffee and Questions on Fri 9th Feb after drop off. Aegir Morgan (Vice Principal) and Katie Young (Communications Lead) will be on hand to answer questions and have a chat over a drink. Please sign in at reception.

Trips cancelled?

As you will be aware we have asked that you pay 50% of your child's total trip amount by the end of Jan. Thank you to all those who have made payments and who have contacted the finance team to make individual arrangements. So far we have received very little money. This means we may have to start seriously considering cancelling trips. As a Steiner school we acknowledge the importance of residential trips so have decided to extend the deadline to **receive 50% until the end of Feb half term.**

The full trip amount has been added to your Parent Pay account. Please email finance@steineracademyexeter.org.uk if you need to make individual arrangements or are having problems with your Parent Pay account. Please don't pay using Arbor.

Yummy cakes and money in the pot!

Thank you to Spindlewood Kg for their yummy cakes. The stall was a great success and raised £100. Katherine will be using the funds to buy some warm clothing to have in our borrowing basket so that all the children can be warm enough. Thank you to Anna for organizing the cake stall and to all of you who bought donations of the most scrumptious cakes and biscuits and helped on the day.

Parking meeting

Thank you to the 13 staff and parents who attended the meeting and the 6 parents who emailed in suggestions and support.

It was clear that, although there were frustrations on both sides, there is a lot of goodwill, ideas and support for moving the parking situation forward.

Ideas raised;

1. That the library could be opened early and staffed by parents for parents and children that use public transport but have to get to school early
2. A clear plan for parking and drop off areas in West Garth Road
3. Could the council change the time of the parking restrictions in West Garth Road?
4. Could we have 30 mins to drop off rather than 20 mins?
5. Approaching outlying village halls to see if we can use their car park as a park and ride for festivals
6. Approaching local residents to see if we can use their drive for parking - we pay them a fee
7. Suggest we move the plan forward in stages
8. As a start, can we create a safe zone for crossing outside the school lane on West Garth Road - using cones on both sides of the road. Since the meeting Alice has approached the council/police about placing cones in West Garth Road
9. A working party to look at all suggestions. This group would then communicate with the travel plan group. Francis is happy to chair this group
10. We need to create a culture around parking and communicate it continually to parents.

There will be a parking working group meeting on Thurs 1st Feb after drop off. If you would like to attend please email Katie.young@steineracademyexeter.org.uk

First aid courses run by our very own Danny Parcell!

Dear SAE community, I will be running a 1 day Emergency First aid course on February 14th at the school. This course will have a lot of emphasis on keeping young children safe. The whole day is available for only £50 for anyone with a connection to the Academy. Please contact me on **07904100228** or danny.parcell@steineracademyexeter.org.uk to book a place.

I will also be running a 3 day First aid course 14-16th February which is available for £150 for anyone with a connection to the school.

This is a great introductory offer as I begin to offer First Aid training courses. Please feel free to contact me if you have a need for any specific courses or training. I can be quite flexible and we can run a course to suit your needs. Danny Parcell, First Aid Coordinator Steiner Academy Exeter.

To advertise in this space please contact Dan Nagy; accountpayable@steineracademyexeter.org.uk

Our prices are:

- £15 per term (approx. 6 newsletters)
- £8.00 per half term (approx. 3)
- 1 off event per newsletter £3

If it is free event that would benefit the school community we will advertise it for free. Please pay in advance. The best format for an ad is jpeg and/or words. **Katie Young, Editor.**

Taoist Tai Chi™ arts are specifically designed to improve health

The movements exercise the whole physiology, including the tendons, joints, connective tissue and internal organs.

At the mental and spiritual level, they are a method of "taming the heart" and developing an attitude of calm, compassion and reduced self-centredness both during practice and in daily life.

Taoist Tai Chi™ arts are accessible and beneficial to everyone, regardless of their physical condition.
